Tulsa County District Attorney, et al.,

Respondents.

PETITION FOR EXPUNGEMENT OF RECORD

Comes Now Petitioner, [REDACTED], petitions this Court for an Order of Expungement of any and all records pursuant to Title O.S. § 19 which allows “the sealing of all or any part of the record, except for basic information.”

1. On September [REDACTED] the Petitioner was charged with Assault and Battery-Domestic, a Misdemeanor in Tulsa County Case No. CF-2000-[REDACTED].
2. On October 31, [REDACTED] plead guilty to the charge and successfully completed the sentence.
3. The Petitioner has never been convicted of a felony and no felony or misdemeanor charges are pending against the Petitioner and more than 10 years has passed since the completion of the sentence.
4. The Petitioner is entitled to have his record expunged so that the arrest will not appear as part of the Petitioner’s criminal record according to Title 22 O.S. § 18 (10).

1942-1943

1943

1943-1944

1944

1945

1945-1946

5. The Petitioner request that this Court set a date for a hearing to allow for the notified agencies to object to the expungement and sealing of these records if they so desire.
6. There is specific harm to the privacy and employment of the Petitioner by allowing these records to remain unsealed.
7. The interests of the public in retaining these records is outweighed by the adverse consequences to the Petitioner if these records are allowed to remain unsealed.

Wherefore, the Petitioner requests that the Court Clerk for Tulsa County, the Broken Arrow Police Department, and the Tulsa County Sheriff's Office, and the Oklahoma State Bureau of Investigation expunge the criminal and arrest files referenced above, with notice to all interested parties including the District Attorney.

Respectfully Submitted,
